ST PETERSBURG, FL

This executive pool home in the historic "Pink Streets" neighborhood of Pinellas Point is a stunning example of casual elegance combined with modern updates. This home is located in Evacuation Zone "D" and Flood Zone X-500, so no flood insurance is required and the property was NOT affected by the recent hurricanes. With five bedrooms, four full bathrooms, and two half bathrooms, this two-story residence sits on a sprawling double lot and offers over 3,600 square feet of meticulously designed living space. Upon arrival, the double-width driveway leads to a beautifully landscaped front yard with a charming outdoor seating area under the canopy of mature oak trees. Inside, the grand foyer is bathed in sunlight through new Therma-Tru French entry doors with fluted architectural glass, and a staircase featuring crisp white risers and black-stained treads offers a graphic touch. The formal living and dining spaces on the first floor showcase high ceilings, warm honey-colored hardwood floors, and thoughtful architectural details such as built-ins and wainscoting. These rooms enjoy views of the newly updated pool area by Oasis pools, which features indestructible, 3/4" thick, Bellissimo porcelain pavers. The first floor also includes a versatile mother-in-law suite with an updated private bathroom and walk-in shower. Guests will appreciate the unique powder room tucked beneath the staircase, featuring a corner sink that adds a whimsical touch. The

heart of the home is the spacious kitchen, complete with granite countertops, oversized subway tile backsplash, stainless steel appliances, and charming red brick floors. A breakfast nook with banquette seating overlooks the pool through a bay window. Adjacent to the kitchen, a large walk-in pantry with built-in shelving and a functional laundry room with a half bath and laundry chute add to the home's practicality. The family room at the rear of the home is a warm, mid-century modern space with knotty pine paneling, red brick floors, a built-in bar, wood burning fireplace and multiple sets of French doors leading to the expansive screened lanai. Measuring 42' x 12', the lanai overlooks the lushly landscaped backyard and pool area, making it perfect for outdoor dining and entertaining. Upstairs, the layout includes a bonus space ideal for an office or homework room that could also be converted to a laundry room or expanded master closet. Two secondary bedrooms at the front of the home share a beautifully updated hall bathroom with dual sinks, a water closet, and a tub/shower combination. The third bedroom, overlooking the pool, features its own renovated en suite bathroom with a glass-enclosed walk-in shower. The primary suite is a true retreat, with a dressing area featuring two closets outfitted with Elfa closets systems for optimal organization. The en suite bathroom is equally luxurious, offering dual sinks with quartz countertops and a separate wet area with a walk-in shower with marble floors. Storage is never an issue in this home, with walk-in closets with built-in shelving in the bedrooms, an upstairs hallway linen closet, a suitcase closet under the stairs, and even a shoe closet in the family room with built-in cubbies for 64 pairs of shoes! The storage continues outside with a 12'x8' Wally Watt shed and a spacious 2-car garage with custom shelving built along the entire length of one wall.

Situated in the historic and charming "Pink Streets" enclave.
